LEARN MORE ABOUT THE BOYS & GIRLS CLUB

Are you ready to make a difference while doing something you love? Join us for JMG SECURITY SYSTEMS' 21st Annual Benefit Golf Tournament and you'll help nearly 10,000 children at Boys & Girls Clubs of Huntington Valley!

By being part of the Golf Tournament, you'll give our community's kids:

- Homework help, tutoring, and academic focused programs that help them do better in school.
- Character and leadership development programs that teach kids to become the kinds of friends and neighbors you want in our community.
- Health and life skills programs that teach kids to make healthy, smart life choices and provide nutritious food for hungry kids each day.
- Sports, fitness, and recreation programs that help kids be active and use their out of school time in positive ways.
- Arts programs that enrich children's lives and encourage their creativity.
- Family support programs that help whole families open the door to success and great futures.

With your help, we'll raise more than $100,000 for our community's kids. Your support is especially important for the kids at the Club's Oak View Branch, where 100% of youth are living in poverty. Many families are barely making ends meet, surviving on incomes of less than $10,000 per year. Gang activity is high in their neighborhood. Kids have no safe space to play or study after school, because they share an apartment with multiple families. Kids struggle in school. And, often times, they don't have enough to eat. When faced with such hardships, kids turn to the Boys & Girls Club for help. One Club member says, "Without the Boys & Girls Club, I wouldn't have found the light amidst the darkness." Your support is what helps kids find the safe haven they need at the Boys & Girls Club.

Every donation and sponsorship makes a difference. $250 sponsors a child for the entire school year. When you're selecting your level of support, please consider sponsoring a child to give a child in need a full year at the Boys & Girls Club. You can use this brochure to make your commitment to help our community's kids.
